The background of the image is a photograph of a construction site. On the right side, a tall building is under construction, covered in green and blue safety netting. A construction crane is visible in the upper right. The sky is a mix of blue and white clouds. A large, semi-transparent orange rectangle is positioned in the center-left, serving as a backdrop for the text.

التميز في كل التفاصيل.

INTRODUCTION

The unique geographic location of the Kingdom of Saudi Arabia made it important for global trade and investment strategic center, help to attract investors and increase economic activity in the country in various fields. The contracting sector is one of the most important economic bases for most countries of the world.

The contracting sector in the Kingdom of Saudi Arabia is witnessing rapid growth and increasing in the demand for specialized companies qualified to execute a number of large projects.

Such works require high professionalism and efficiency in the performance. We are distinguished as MOUJAN it's our commitment towards quality and attention to details at all levels enabled us achieve consistently advanced results.

ABOUT US

MOUJAN Contracting is one of the leading and trustworthy construction firms located in Riyadh the capital of Kingdom of Saudi Arabia We are a company that provides excellent, highquality, environment-friendly, and efficient construction services and products to thousands of business clients. With our passion and commitment to serve the best services, we have established strong relationships with our clients and closed more than 100 construction projects. Shortly, we will be expanding our focus worldwide to serve millions of businesses inside and outside Kingdom.

MOUJAN Contracting was established according to unique standards and deep experience inspired by its vision of Future. Our services are of the highest quality and workmanship. Therefore, we ensured continuous development to upgrade our system, policies and strategic plans, which we contribute actively to enrich our society and earn the trust of our Clients, through the consolidation principles: credibility, professionalism and commitment. MOUJAN is one of the leading companies in KSA, specialized in the field of Information & Technology,

Building Maintenance, Trading and has gained vast experience and has made its name in the field.

COMPANY MISSION

The company's mission is to satisfy our clients with our excellent, high-quality, and sufficient construction services and products, as well as our team's passion and commitment.

COMPANY VISION

The company's vision is to be the top choice in the market when it comes to construction. We envision to be the leading construction firm in the state of California that provides efficient and high-quality construction services to the people

Our Vision is aligned to the Vision 2030 of the Kingdom. To invest our experience and values of growth at all levels in order to become pioneers in the global market and provide engineering excellence to customers and achieve the highest level of value by adhering to best practices in terms of governance and transparency.

We strive to establish our position as a leading company and partner in IT Industry, Contracting Field with business excellence and sustainability. We strive to be the leading company specialized in contracting business, which has a pioneering position in the markets to provide innovative solutions for various projects.

COMPANY VALUES

MOUJAN Combines management and team work with common values.

 **Time** : One of the importance elements which affect on every part of the work, starting of site mobilization, delivering required materials on time, and follow up the progress of work compatible with the project Time-Table until completion of the project by 100%.

 **Trust & Loyalty** : Our professional relations are based on a mutual trust with customers and suppliers, where the mutual loyalty growing between us.

 **Skill & Professionalism** : Are two sides for the same coin we pledge to make the greatest effort to reach our required targets.

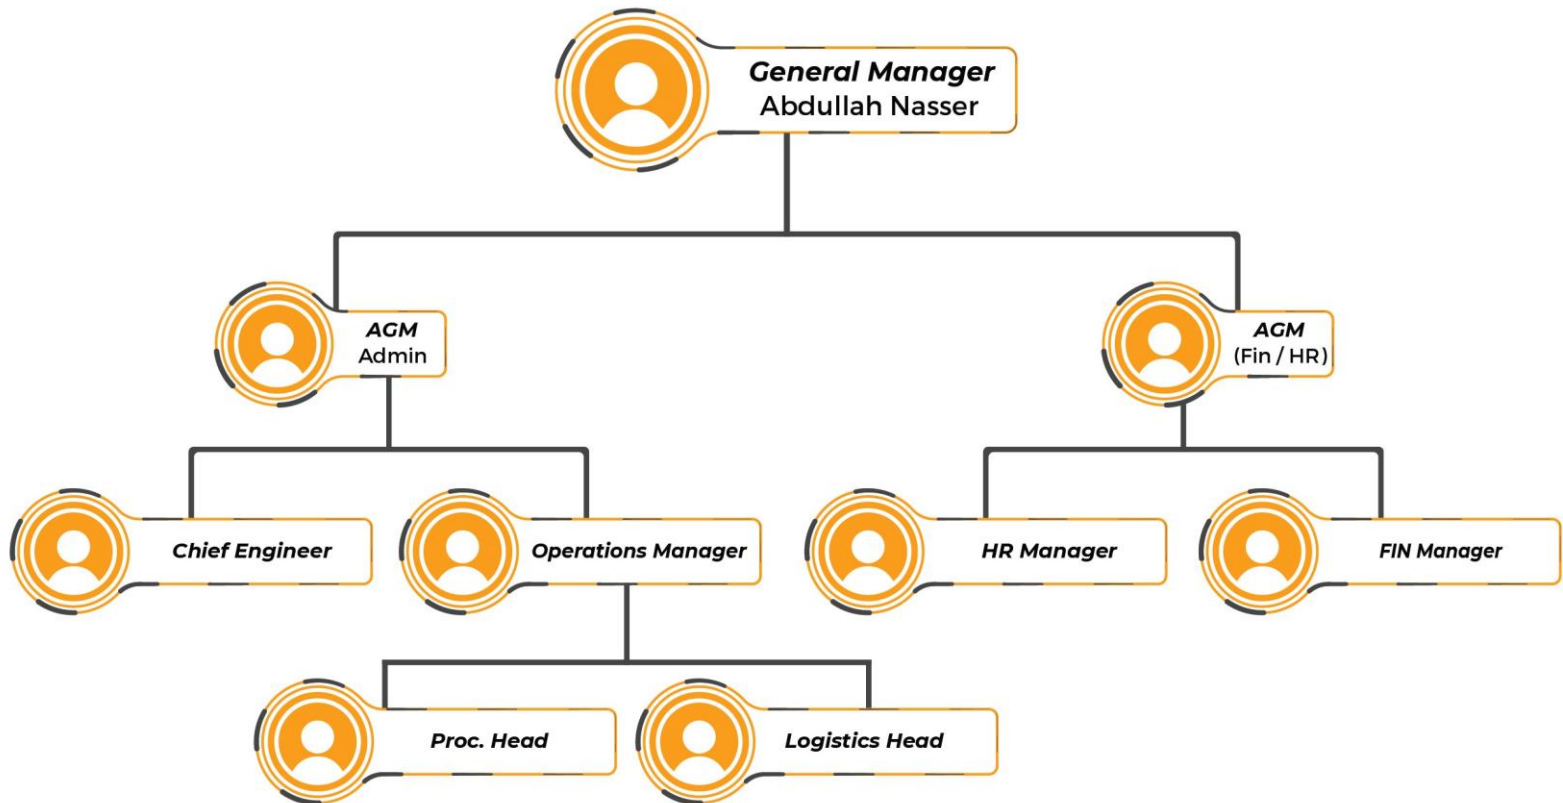

GM MESSAGE

My Purpose in establishing this company was beyond the traditional business idea of money making. I always felt like there is a gap in our field of work for a company you could hand your project and leave it to them, so finally I decided to be the one people could count on when it comes to the construction services. I personally assure you that this organization will always keep your interests ahead of its own as this is the main idea behind starting it. I look forward to be working with you as a trusted partner.

Abdullah Nasser
General Manager
Moujan Construction Co.
